Mrs. Kayla Hamilton gave the Lakeside Elementary Building report. The K-5 students are engaged in Tai Chi Tuesday which is a fun activity for students prior to the school day hosted by Mrs. Bowles. The interactive "Body Venture" was a big hit and Debbie Taylor and all volunteers were commended for their work on getting it arranged and set up. A "Seeds of Change" musical theatre production was held through the Dane G Hansen Foundation and the Drive 4 Your School fundraiser was a success. Students are participating in several anti-bullying activities this week, and Halloween activities will take place at the end of the month.

The Tipton Community School report was given by Mr. Gery Hake. Tipton K-6 students recently finished up the Aimsweb baseline testing for the fall and will repeat this again in the spring to measure progress. Parent-Teacher conferences are set for the week of October 22. Students at Tipton also enjoyed the "Seeds of Change" production and will be celebrating Red Ribbon/Spirit Week with Drug Free/Bully Free activities. The Jr. High volleyball and football teams will enter their final matches/games this week with an undefeated volleyball team and a football team that has only one loss on their record. Halloween activities are planned for October 31<sup>st</sup>.

Mr. Bob Becker gave the Lakeside Jr.Sr. High school report. The Junior and Senior classes visited Cloud County Community College for Career Day last week which gave them the opportunity to explore post-secondary college choices. Mrs. Sharp is holding a meeting to discuss current changes and to assist parents and students in applying for financial aid.

Mr. Becker was pleased to share that the school play has a great number of students participating in their production on November 9<sup>th</sup> and 10<sup>th</sup>. He was also excited to share that the forensics, the scholar's bowl, FCCLA and FFA programs are experiencing increased interest as well this year. The art program is planning to create a mural in the west wing of the school for students to participate in and expand on in future years. The booster club is helping with expenses for this project.

Mr. Becker concluded his report with athletic updates to high school classifications, schedules and participation figures.

Dr. Betty Summers gave updates to the board of education members on the building project, maintenance items and an arrangement with Terracon to split the mileage fees being assessed for the concrete testing. Student enrollment on September 20<sup>th</sup> was at 303 students which includes the preschoolers. Dr. Summers reviewed some plans for federal funding received through the Title IVA program, explained E-rate changes and health insurance rates. Other items shared included; the KASB Policy Agreement, regional and annual conference meeting dates with KASB and some transportation and technology updates.
